PROVIDING THE **HIGHEST QUALITY SERVICE**
All day. Every day.

At Pine Meadows Healthcare and Rehabilitation Center, your goal is our goal. Whether you are here for short-term rehabilitation, a complex medical issue or an extended stay, your journey towards recovery is our motivation.

Our dedicated staff operates with four basic principles in mind: to restore your health, improve your daily functioning, increase your independence, and provide you with the utmost comfort.

Our commitment is in giving you the rest you need to recover, the tools to rehabilitate, and the assistance to reintegrate into the best suited environment.

Restore Health

Improve Function

Increase Independence

Provide Comfort

Nurse Practitioner

- Assessing and assisting our patients in the creation and implementation of their plan of care
- Determining and ordering interventions to decrease hospitalization
- Care management and discharge coordination with attending and primary care physician to assist in a seamless transition to home
- In-home follow-up visits post discharge

Telehealth

- Interactive healthcare
- Immediate urgent care with early diagnosis and treatment
- Prevents hospitalization along with assessments provided by our in-facility nurse practitioner

We Honor Veterans

- Veteran friendly facility
- As a We Honor Veterans Community Partner, we hope to serve all veterans with respect, integrity and dignity.

Exceptional Care Through Teamwork...

Each member of our staff shares important traits – a commitment to teamwork, an absolute enthusiasm for their job, and a deep sense of caring and compassion for our residents. Our entire team of skilled professionals is dedicated to ensuring your healthcare goals are exceeded and your stay is a pleasant experience.
